

# Divergent Path Wellness INTERN SERVICES

Accessible  
Inclusive Support

Waitlist open for  
sliding scale  
therapy sessions!

Master's level student interns offer sliding scale therapy and non-therapy support services at **Divergent Path Wellness**

Meet the actual human (non-possum) interns by joining the **sliding-scale therapy** waitlist or registering for a support, body-doubling, or educational group

Expanding access to intentionally inclusive services, the **Intern Clinic at Divergent Path Wellness** offers therapy at flexible sliding-scale rates for teens 14+ and adults. Our supervised master's-level clinical interns provide affirming care for LGBTQIA+ communities, neurodivergent individuals, and religious trauma recovery while expanding access to intentionally inclusive mental health services.
